

**ZMI** FAMILY  
MINISTRIES  
INTERNATIONAL  
*(Zookeepers Ministries, Inc.)*

**Mission:**

- Evangelize the lost.
- Equip through discipleship.
- Encourage believers.
- Establish families that last a lifetime.

From the Director's Desk

It's hard to believe that May is already here. This year has been a flurry of activity for the ministry, and we have seen God do some amazing things already. I am so excited to share some of it with you in the pages ahead, and we are looking forward with great anticipation as to what He will continue to do this year through the support of our ministry partners!

Among the highlights thus far has been Mission Week, which was hosted by LIFE Community Church in April. Our National Directors of Central America traveled to the US to be a part of it, and it was a tremendous blessing for us to spend time with them, love on them, and pray with them. We are so thankful to our community and church family that welcomed them and loved on them. We pray that as they return to the mission field, they are rested, refreshed, and ready to continue carrying out the work the Lord has called them to do!

Traci Huff, ZMI Director

**“Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us”**

**Ephesians 3:20**

## Portugal

“Taking Back the Family” is in Portugal! Recently, a ZMI Brazil leader began the study with 10 women in this beautiful country, and we are looking forward to hearing testimonies of what the Lord is doing. Please join us in praying that these women and their families will be impacted for God’s glory.

## Kenya

Funds for 500 Swahili Bibles have been sent to Pastor Alfred, our regional director as he and his wife continue to serve in Kitale, Kenya. In addition to the Bibles, the Swahili edition of “Taking Back The Family” needs to be printed to aid in the discipleship of the women’s groups there. Please visit [zmiinternational.org](http://zmiinternational.org) if you would like to partner with us in getting the materials into the hands of women.

## Nicaragua

Praise God for the tremendous spiritual growth we are seeing in Nicaragua! Discipleship groups for both men and women are growing, and we recently celebrated baptisms, which included children from The School of Hope!

## Honduras

In March, Pastor Manuel and Odili traveled to Honduras. During their trip, they led a pastors' conference, where they trained pastors and their wives from 15 churches on how to minister to the needs of families. They also hosted both men and women's conferences. Two women and three men received Christ and are being taught through small group discipleship! Plans are being made for a future trip to Honduras in November where churches from three additional cities plan to participate in training and conferences.

## Brazil

The women pictured here are small group leaders and recent graduates from "Taking Back the Family" in Brazil! It was an incredible gift to read the testimonies from many of these women, sharing with us what the Lord is doing in their hearts and homes through their discipleship groups.
